Deer Park Drive is between Raymond Rd. and Ridge Rd. on Route 1 South. To get here, you must be going south on Route 1. Turn right onto Deer Park Drive, which is the first right, immediately past the Residence Inn sign. There is a cement triangle with some plants that defines the intersection of Deer Park Drive and Route 1 South, a small, high, green street sign as well as a large Princeton Corporate Plaza sign.

Once you are on Deer Park Drive, turn left into the third driveway on the left which has a sign for building 7. Go all the way to the end to building 11 on the right. The correct doorway is on the short side of the building, facing the long driveway. We are on the second floor, near the front of the building, on the right as you exit the elevator, Suite 201.

Google maps is a little confused about where 11 Deer Park Drive is. If you put in 11 Deer Park Drive, Google maps shows it much further down the street than it really is, but does show Insmed near where rap.ID is located Drive, in a different, but more correct location.
